Coin locks

Nuestros monederos KEYA están diseñados para ofrecer el máximo rendimiento.

Como en todos los productos industriales de calidad, es necesario un buen uso para asegurar el máximo rendimiento y durabilidad en el producto.

Muchos de nuestros monederos son adaptables a la mayoría de monedas, consúltenos para más información.

En ambientes húmedos y para mantener seco el cilindro, recomendamos el uso de lubricantes regularmente, una vez al mes, con el spray anti-humedad BESLUX de la empresa Brugarolas, S.A., disponible en distribuidores especializados o directamente en Talleres ABSA.

Our KEYA Deposit Locks are built for heavy-duty facilities.

Like all quality industrial products, regular care during its use is required to ensure maximum service and life of the product.

Many of our coin locks are adaptable to most coins, ask us for more information.

In order to keep cylinders dry in humid locations, we recommend lubricating them regularly, once a month, with the anti-humidity spray BESLUX from Brugarolas, S.A., available from specialized dealers or directly from Talleres ABSA.

Los bombillos KEYA están diseñados para ofrecer la máxima fiabilidad y seguridad.

Bombillo Acqua ref 101342:
Bombillo fabricado en poliamida reforzada con fibra de vidrio. Llave de serreta con hasta 700 diferentes combinaciones.

Bombillo Standar ref 101340:
Bombillo metálico con llave de serreta con hasta 700 diferentes combinaciones.

Bombillo de seguridad 101344:
Bombillo metálico con llave de seguridad. Hasta 2.000 combinaciones por serie.

The KEYA barrels are designed for maximum reliability and safety.

Acqua Barrel ref 101342:
Barrel made of polyamide reinforced with glass fiber. Bitted key up to 700 combinations.

Standart Barrel ref 101340:
Metallic barrel with bitted key up to 700 combinations.

Safety Barrel ref 101344:
Metallic barrel with dimpled key. Up to 2.000 combinations.
